

ECO POT 'N' PAN

Ultra-Concentrated Manual Cutlery, Crockery & Glassware Cleaner

Ultra-concentrated dish washing detergent for the manual washing of all kitchenware including pots, pans, glass ware, crockery and utensils.

DIRECTIONS

Add 4ml or approx. 1 plunge (0.01% solution or 4 dedicated applicator squirts) to every 10 litres of warm water in a clean sink.

May also be diluted through a portion control wall mounted unit or automatic dilution control equipment. For use in sinks and other manual cleaning applications.

All food contact surfaces must be rinsed with potable water after use.
